### General Information

|                          |                                    |
|--------------------------|------------------------------------|
| SKU                      | 247378                             |
| EAN                      | 9010299750280                      |
| Brand                    | THORNeco                           |
| Manufacturer Name        | ANNA VARIOFLEX 12X3 4400 830/35/40 |
| Any Lamp all-in warranty | 5 Years                            |
| Average Lifetime (h)     | 50000                              |
| Series                   | ANNA VARIOFLEX                     |

### Technical Information

|                             |                                  |
|-----------------------------|----------------------------------|
| Technology                  | LED Integrated                   |
| Replaces (Watt)             | 2x36                             |
| Wattage                     | 40                               |
| Voltage (V)                 | 220-240                          |
| Dimmable                    | Not Dimmable                     |
| Colour Code                 | 830 Warm White, 840 Cool White   |
| Colour temperature (Kelvin) | 3000 Warm White, 4000 Cool White |
| Colour Rendering (Ra)       | 80-89                            |
| Colour of Light             | White                            |
| Light colour options        | CCT                              |
| Luminous Flux (Lumen)       | 4400                             |

|                          |                    |
|--------------------------|--------------------|
| Luminous Efficacy (lm/W) | 110                |
| IP-rating                | IP20               |
| Impact Protection (IK)   | IK03 - 0.35 joule  |
| Fixture Connection       | Screwless terminal |
| Power factor             | >0.95              |
| Product Type Category    | LED Panel          |

## Fixture Information

|                       |                                       |
|-----------------------|---------------------------------------|
| Mounting Method       | Recessed, Surface, Suspended, Ceiling |
| Unified Glare Rating  | < 19 - for offices and schools        |
| Optical Cover         | PS (Polystyrene)                      |
| Operating Temperature | -10 to +40                            |
| Emergency Lighting    | No Emergency Unit                     |
| Colour of the Fixture | White                                 |
| Housing               | Aluminium                             |
| Colour of material    | White                                 |

## Dimensions

|                |          |
|----------------|----------|
| LED panel size | 120x30cm |
| Length (mm)    | 1200     |
| Width (mm)     | 300      |
| Height (mm)    | 60       |

## Why Any-lamp?

## Sensor Information

**Order from the largest lighting specialist in Europe**

**Customised quotation**

**Up to 7 years warranty**

**Easy return process**
